have been attracted to Clausing 13" lathes. I used a
lathe in high school, but not since. I like the fact that
the Clausing's seem to have high speed (~2000 rpm),
compared to others that have been on my radar screen
(1400 rpm). As a hobbyist, I don't want one that make
so much noise that it's not enjoyable to use without
hearing protection. Quiet Clausing 13" lathe | The
